From HOD's Desk

Prof. Dr. Zakir Ali

“Necessity is the mother of Invention”, Initiation, Inspiration, Inventions, Innovations and Challenges are never ending programs of the universe. Every investigation big or small counts but always begins with a single step. Mecholites, the 'Evergreen' all rounder engineers have immense potential within them. This potential can be transformed into academic and research activities by waking up their minds.

We are very much grateful to the Management and Principal for their continuous encouragement, inspiration and support extended for the release of this “NEWS LETTER”. The Department of Computer Science and Engineering was started in the year 2002 has highly qualified faculty with good blend of experience from both Academics and Industry. The department has well equipped laboratories with advanced software's.

Events

TECHNOZION 2K18

Every academic year Department of Computer Science and Engineering organizes inter college technical fest with a very high competitive spirit to participant and with the strong determination to include their achievements & accomplishments to their resumes. We have organized TECHNOZION 2K18 with the same enthusiasm and determination among the new set of student coordinators, student volunteers and faculty coordinator during 23rd & 24th April, 2018.
