Imagination to Reality

Volume 05, Issue 01 - February 2021

Vision

Develop professionally competent Computer Science Engineers to serve the society.

Mission

We at the Department of Computer Science and Engineering are committed to achieve our vision by:

1. Imparting outcome based education through effective teaching learning process.
2. Providing exposure to latest tools and technologies in the area of Computer Science.
3. Inculcating research and Industry-institute interaction.
4. Involving stakeholders for continuous development.

Message from HOD

I take the privilege to welcome you all to the Dept. of Computer Science & Engineering, accredited by the National Board of Accreditation (NBA) at Secab Institute of Engineering & Technology, Vijaypur.

The very motto of our department is to provide quality education and to be recognized as an innovative and leading Computer Science & Engineering department in the University and beyond. The process of learning is extremely important in life.

The Department has been offering excellent facilities with a variety of open source computing platforms to aspiring professional students to meet the current trends of the IT industry. The department endeavors to produce confident professionals tuned to real time working environment. To inspire the students to develop their technical skills and inculcate the spirit of team work in them.

The strength of the department is highly motivated students who understand the dynamics of the industry and tune their skills accordingly. Along with academic knowledge The department offers excellent academic environment with a team of highly qualified faculty members, state- of-the-art facilities, excellent research and development environment. Our aim is not solely to develop technical skills but to provide ethical values, professional grooming and guidance so that our students mould into thorough professionals and inspiring individuals when they enter into the real-time environment.

SECAB Institute of Engineering & Technology, Vijaypur also trains its students to face the challenges in life by providing value added education to enhance their career prospects. I would be happy to see you as a member of Computer Science & Engineering family at SECAB Institute of Engineering & Technology, Vijaypur.

Fresher's and Farewell Celebration

January 2021

Objectives

- To welcome newcomers in a friendly atmosphere and avoid social evils.
- To encourage their creative impulses to boost their confidence.
- To give students some useful tips for the future.

Department of Computer Science & Engineering, SECAB Institute of Engineering & Technology, Vijayapur, KARNATAKA organized Fresher's and Farewell party. The purpose of Fresher's Party is to welcome new students in a friendly atmosphere and to encourage their creative impulses to boost their confidence. It is the day where seniors and juniors finally bond and unite to celebrate being part of the college. The farewell is organized to wish good luck to the ones who are leaving for their futures endeavour and send off with great memories.

In this regard the students of 5rd semester & 7th Semester have conducted various activities during the week to encourage the students and provide opportunities to interact with one another and form new connections.

About the Event

It's been initiated for the academic year 2020-21. With students of 3rd year and 4th year. The celebration started at 11am at CSE seminar hall hosted by our Anchor Ms Ayesha student of 4th year, with the warm welcome of all the dignitaries present in the function. The occasion was graced by the presence Principal, Head of the department and faculty members. As a trend of the institute, the party began with the auspicious lamp lighting ceremony and followed by recitation of Quran and reading the verses of Bhagvatgeeta. The program was followed by welcome speech by Ms Madiha student of 4th sem. A brief introduction of the department was presented by Ms Zarina K M which highlighted its year of establishment, objectives, achievements from faculties and students, laboratory facilities available etc.

“ Dream as if you'll live forever, live as if you'll die today. “

Outcomes

This Activity Helped Students

- To Become Aware Of Real Life Challenges
- To Able To Motivate themselves
- To Excel in their Career.

The program was followed by felicitation to the dignitaries. The principal addressed the gathering by his motivational talk to build intellectual capacity, social values and principles of personal excellence and care for others.

Our college is associated with SATVA (Women and Child welfare cell) working for the benefit of deprived children and women. Ms Madiha student of 4th year presented its Vision, Mission and contribution towards the benefit of the society. She also encouraged our students to contribute towards Women and Child welfare cell by getting involved in any possible way.

The program was followed by felicitation to the passed out students. Prizes were distributed to the winners of the various activities. Students arranged many activities which included cultural events. Chandama student of 4th year delivered vote of thanks.

“ What consumes your mind controls your life. “
